**Re: Recommendation of Charles Davis**

To whom it may concern:

It is with great pleasure that I highly recommend Charles Davis for any graphic and web design position.

I have known him, worked with, for, and employed as a graphic artist, and web developer for over 6 years. He has a great eye for artistic design, and detail in all his work. He is extremely loyal, trustworthy, and has a fantastically strong work ethic. I would put him on the top of my list for anyone I would hire, or work with in the future.

Please feel free to contact me with any questions you may have. Your business/company would be very fortunate to bring Charles onboard!

Sincerely,  
**Mike Grady**
